## WHO WE ARE

Image-Guided and Functionally Instructed Tumor Therapies (iFIT) is part of the University of Tübingen and the University Hospital Tübingen. This provides an ideal environment to successfully develop our research on new tumor therapies.

**REGISTER NOW >**

**Deadline: September 13**

## EQUAL OPPORTUNITIES OFFICE

iFIT aims for equal opportunities and gender equality. To focus on these areas we created the iFIT Equal Opportunities Office - responsible for the organization of the **iFIT Symposium Women in Science**.

The office has an active role in the areas of female career, family friendly practices and promotion of diversity.

**Prof. Dr. Juliane Walz**  
iFIT Equal Opportunities  
Coordinator

**Prof. Dr. Bettina Weigelin**  
iFIT Equal Opportunities  
Representative

**Dr. Annika Nelde**  
iFIT Equal Opportunities  
Representative

## LOCATION DETAILS

The **iFIT Symposium Women in Science** will take place in the conference room 1 & 2, located on the first floor of the Gesundheitszentrum (Building 480), Hoppe-Seyler-Str. 6, 72076 Tübingen.
